Dear Neighbor,

On November 7th, we have a chance to do something great in ANC 2C02. Throughout ANC 2C, people are ready for change. People are looking for leaders who will stop representing the worst of Washington politics to their constituents and start to serve the needs and desires of their constituents in the best ways possible.

Today, residents face challenges to our safety, our financial security and a quality of life we hold dear. To meet those challenges, we need leaders who will appeal to the best in all of us. We need leaders unwilling to settle for equality for some, opportunity for the the well connected or freedom of speech for the few. We cannot let the politics of division and fear give such a small view of our needs as a community.

This is our time. Our time to make a difference. Time to write a new chapter in the growth and development of our neighborhood.

Vote for me and I will work with you to make it all happen.

Sincerely,

Kevin Chapple
